OVERVIEW

ABOUT US

At Pranay Buildcon, we are a vibrant team of young and energetic entrepreneurs dedicated to delivering exceptional quality in a diverse range of civil engineering projects. Specializing in water supply projects, Nal-Jal Yojna, overhead tanks, RCC roads, and PWD (PIU) buildings or BT roads, we bring expertise and innovation to every construction endeavor. Located in Bhopal, Pranay Buildcon was established by Mr. Pranay Kumar Ratmele in the year 2020, marking the beginning of our commitment to excellence.

OUR MISSION

Building Tomorrow, Today

Our vision at Pranay Buildcon is to be the driving force behind transformative urban spaces, creating landmarks that stand as testaments to enduring quality, innovation, and environmental stewardship.

OUR VISION

Redefining Urban Landscapes

Our vision at Pranay Buildcon is to be the driving force behind transformative urban spaces, creating landmarks that stand as testaments to enduring quality, innovation, and environmental stewardship.
